ANNUAL REPORT
OF THE YEAR OF
ENFIELD, NEW HAMPSHIRE
University of New Hampshire
Library

Crystal Lake Bridge Reconstruction

We have a group of pictures showing the old bridge which was built by Walter Morse as Road Agent, in 1914, for approximately \$400.00. Walter, at age 93 lives with his wife Bernice on Georgia Avenue.

The large house in Picture #2 is the old Jessie Johnson Mansion. Built in 1803, it was at that time the "finest house this side of Concord". Known as the "White House", the natural beauty and architectural design of the building was admired by many. The house burned and the owners, John and Jeanne Sinclair, rebuilt a smaller home on the site in 1971.

The remaining pictures show various stages of construction (slides by Harry Auger, Thank You Harry). As you can see we had those down-pours in the fall which raised the water level and hindered our working operations.

The work was done by our Highway Department with Foreman "Joe" Lashua overseeing the project. We purchased the culverts from Penn General Culverts under State of New Hampshire bid, rented equipment and hired Joe Barden to do the concrete work.

We currently have \$46,000.00 in the project and will put up guard rails and pave the bridge under TRA in 1982.

The State bridge estimate for replacement was \$260,000 - \$300,000. The Federal program would have paid for one-half of the project. Our share would be the other one-half, \$130,000 - \$150,000. Our total cost, doing the work ourselves, will be less than \$55,000 or a savings on our share of \$75,000 - \$95,000.

We appreciated your cooperation during the project.

FELLOW CITIZENS:

We, the Board of Selectmen are proud of our achievements in 1981. Under our Highway Department, sidewalk construction and improvements on South Main Street were 75% completed.

We hope to continue sidewalk improvements in 1982 as a plan to do work each year which will eventually provide necessary village sidewalks for our citizens of all ages.

Shedd Street was reconstructed and paved this summer. The work has been completed making a much safer and wider street.

A portion of land was given by Jane and Steven Plumley to allow the town to widen Blacksmith Alley, providing a safe access to the businesses in that area.

We are also pleased that Dr. Mark Parker and his wife Cindy decided to come to Enfield. Mark's office is located in the basement of the Copeland Block off Blacksmith Alley.

We wish to thank Barbara and Richard Dow for donating the Baltic Street spring to the Town. Next year we hope to improve the access to the spring.

This year the Town shed was completely insulated to allow more efficient use of fuel oil. The ceilings of the Union Street and Enfield Center Fire Stations were insulated as well as finishing the hose drying tower at the Union Street Station. A portion of Whitney Hall was also insulated for energy conservation.

We started a Town bulk fuel oil purchasing program this year which allows us to purchase fuel at a 28¢ per gallon savings over our previous purchases.

To help cut costs the Selectmen have supported the Road foreman in reducing expensive salt use where possible and using more sand in these areas.

Our winter this year has been the heaviest snowfall we've seen in the last few years. The month of December cost us nearly double that of a normal winter.

The replacement of the Crystal Lake bridge was accomplished for approximately \$46,000, as compared to a \$300,000. bridge replacement estimate by the State of New Hampshire. The bridge program would have taken 12-24 months with our share being \$150,000. We saved \$104,000. for ourselves and the \$150,000. State and Federal share as well. We work to receive the highest benefit for the dollars spent.

We have placed articles in the warrant for the possible purchase of a 4 wheel drive loader over a five or six year period. We feel the loader is needed, but only you the voters should decide on such an expense.

The second article involves a 12' wing assembly for our grader which would allow us to push snow banks back more efficiently, saving wear and maintenance costs on our plows and the trucks themselves, as well as widening our roads through the winter.

A warrant article to purchase the LaSalette beach for \$12,500 allows the public to decide if we should secure a beach on the Lake.

Road improvements next year will include continuing maintenance program, paving the Crystal Lake bridge; road reconstruction on a portion of

Algonquin Road, as well as other minor improvements we can afford.

A sub-divider on Palmer Road, P&F Associates, has paid the Town \$10,064. to widen and gravel a portion of that road, as required by the Planning Board.

We were pleased to see the construction of the Enfield Center Post Office this last fall.

The Sewerage Advisory Committee is working with us and our consultants to insure a program to be presented in the spring or summer of 1982. A hearing will be held in the Spring to discuss alternatives.

We hope citizens will become involved with our various committees to help find or implement solutions to questions or problems important to us as Townspeople and Taxpayers.

We appreciate your support and cooperation this past year.

Carl F. Patten, Chairman
James E. Simpson
Donald J. Crate
Board of Selectmen

Peter G. Russell
Administrative Assistant

WHAT PART OF YOUR TAX DOLLAR PAYS FOR WHAT IN 1982

Out of each dollar that is paid 5.7¢ goes toward Police protection.

Out of each dollar that is paid 10.3¢ goes toward Highway Department.

Out of each dollar that is paid 5.6¢ goes toward Dumps, Rubbish.

Out of each dollar that is paid 5.7¢ goes toward Town needs other than above,

OR
27.2¢ = Total Town (all of the above)

If you wish to calculate what portion you pay for what, use last year's tax bill. This will give you a "rough estimate". If the bill was \$600., you paid \$34.20 for Police Protection, \$61.80 for Highway Department, \$33.60 Dump & Rubbish and \$34.20 for the remaining town needs;
OR \$163.20 for the Total Town.

WARRANT FOR TOWN MEETING
STATE OF NEW HAMPSHIRE

GRAFTON S.S.

TOWN OF ENFIELD

To the inhabitants of the Town of Enfield qualified to vote in Town Affairs:

You are hereby notified to meet in the Enfield Elementary School in said Town of Enfield on the Ninth day of March next at ten o'clock in the forenoon, 1982, to act upon the following subjects:

Polls will open at ten A.M. and will not be closed before eight-thirty P.M. Articles in Warrant will be taken up beginning at seven P.M.

ARTICLE 1. To choose by ballot to serve for six years: One Supervisor of Checklist; to serve for five years: One member of the Board of Adjustment; to serve for three years: one Selectman, one Trustee of Trust Funds, one Library Trustee, one Fire Ward, two Recreation Commission members; to serve for two years: one Moderator, one Auditor.

And also to bring in your ballots on the following question: "Shall we adopt the provisions of RSA 72:62 for a property tax exemption on real property equipped with solar energy heating or cooling system which exemption shall be in an amount of one-half the building costs, not to exceed \$5,000? The exemption shall be given for two years only.

ARTICLE 2. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes, as provided under RSA Chapter 33.

ARTICLE 3. To see if the Town will vote to authorize the Selectmen to sell or lease any or all parcels of real estate acquired by the Town through Tax Collector's deed for non-payment of taxes, or any or all parcels not in public use; and to authorize the Board of Selectmen to execute and deliver in the name of the Town suitable deeds or leases of such real estate. The Selectmen may sell any real estate acquired by a Tax Collector's deed to the person to whom the taxes were assessed, at private sale; but all other sales shall be by public sale, such public sale to be advertised by suitable public notice.

ARTICLE 4. To see if the Town will vote to authorize the Selectmen to make application for and to receive in the name of the Town such gifts, advances, grants-in-aid, Federal Revenue Sharing Funds, HUD, EDA, EPA, FHA, BOR, or other funds for any Town purposes as may be forthcoming from the United States Government, the State of New Hampshire, or any other Federal, State or Local agency or person.

ARTICLE 5. To see if the Town will vote to purchase a twelve foot wing assembly for our John Deere Grader at a cost of \$9,250.

ARTICLE 6. To see if the Town will vote to purchase a four-wheel drive loader at a cost not to exceed \$65,000. and appropriate an amount in 1982, and borrow the remaining cost of the loader under the provisions of the Municipal Finance Act, RSA Chapter 33, with the principal and interest to be repaid in the next five years.

ARTICLE 7. To see if the Town will vote to raise the sum of One Thousand Two Hundred Thirty-Nine dollars and fifty-two cents (\$1,239.52) for Town Road Aid, and to receive the sum of Eight Thousand Two Hundred Sixty-Three dollars and forty-four cents (\$8,263.44) from the State.

ARTICLE 8. To see if the Town will vote to authorize withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as set-offs against Budget Appropriations in the amounts indicated; and further to authorize the Selectmen to make Pro-rata reductions in the amounts if estimated entitlements are reduced or take any other action thereon:

APPROPRIATION	ESTIMATED AMOUNT
Fire Truck (Capital Reserve)	\$ 5,000.
Police Cruiser	4,440.
Moore Property Note	9,000.
Whitney Hall Note	9,200.
Ambulance Fund	2,000.
Emergency Communications	<u>2,231.</u>
	\$31,871.

ARTICLE 9. To see if the Town will vote \$500. to establish a Capital Reserve for the Planning Board, to use for Master Plan publication or other planning related needs.

ARTICLE 10. To see if the Town will vote to authorize an independent audit of Town accounts for fiscal year 1981 for the required compliance of the Revenue Sharing audit (Section 123(c)(1) of the Revenue Sharing Act.

ARTICLE 11. To see if the Town will vote to purchase the LaSalette Beach for a sum of \$12,500. This is the area which we presently rent. The purchase price to be raised in 1982 or borrowed under the provisions of the Municipal Finance Act, RSA Chapter 33.

ARTICLE 12. To hear the report from the Rubbish Committee and act thereon.

ARTICLE 13. Pursuant to a petition of ten or more legal voters:

"Shall the Town Meeting allow the Selectmen to enter a Two (2) Year, Three (3) month contract with Earl Charbono? Contract terms are \$62,830. (Sixty-two Thousand Eight Hundred Thirty dollars) for 1982 with a 5% increase for 1983. Escalator clauses agreed by the Board of Selectmen and Earl Charbono are:

1. \$9.00 per week additional for new dwellings in multiples of ten, as of October 1, 1981.
2. \$20.00 per week for each 10¢ per gallon increase in regular gasoline. Increase to be gained at the 10¢ per gallon intervals starting at \$1.30 per gallon.
\$62,830. = \$1.94/\$1,000. value. If a house is taxed at \$30,000, Charbono's contract would cost \$58.20 per year or \$1.12 per week for that family.

ARTICLE 14. Pursuant to a petition of ten or more legal voters:

"To see if the Town of Enfield will appropriate the sum of \$1,000. (One Thousand dollars) to support the work of Headrest in the Year 1982."

ARTICLE 15. Pursuant to a petition of ten or more legal voters:

"To see if the Town of Enfield will appropriate the sum of \$3,171. (Three Thousand One Hundred Seventy-one dollars) to the Opportunity Center, a non-profit community based organization, in order to support its continued service to the residents of the Town of Enfield."

ARTICLE 16. To see if the Town will vote to authorize the Selectmen to apply for, accept and expend up to \$400,000 in HUD Community Development Block Grant funds for the improvement of the Enfield water system. Furthermore, that the Chairman of the Board of Selectmen be authorized to sign any and all administrative forms relative to the conduct of said HUD grant, including, but not limited to HUD 7015.15, certification and release of funds.

ARTICLE 17. To see if the Town will vote to adopt the Budget and Raise and Appropriate the various sums recommended and posted by the Budget Committee or act thereon.

ARTICLE 18. To see if the Town will vote that if the purpose or objects, hereinafter designated, for which appropriations for the year 1982 may have not been fully accomplished during the fiscal year, the funds so appropriated or unexpended on the unfinished portion of such object, shall be placed in a Capital Reserve Fund, dedicated to the purpose or object of its conception, until such time as the Board of Selectmen, acting as agents of the Town shall have the opportunity or occasion for fulfilling or completion of the purpose for which said appropriation was created.

The specifically designated purposes are as follows:

Acquisition of New Highway Equipment, Police Cruiser, Ambulance, Civil Defense, Removal and Planting of Trees, Water Department, Sidewalk Construction, Town Parks Improvements, Sewerage Study and Fire Truck.

ARTICLE 19. To hear the reports of agents, auditors, committees or any other officers heretofore chosen and pass any vote relating thereto.

1981 Motor Vehicle Permits Issued 2992	<u>68209.50</u>
	\$72038.15

Mary Lou Cadreact
Town Clerk

WELFARE DEPARTMENT 1981

Changes in Federal and State programs, reduction in grants for Food Stamps, AFDC and APTD, failure of the State to fund Foster Care past the age of 18, and increases in court-ordered placements this past year and a law that makes the Town responsible for attorney costs for indigent parents greatly increased the expenditures of Enfield.

Appropriations:		Expenditures:	
Town Poor	14,000.00	APTD/OAA	5,652.14
OAA/APTD	9,000.00	Indigent Parents	643.75
Credits	<u>5,166.10</u>	Rent	9,016.62
Total Availabel	28,166.10	Food	2,711.33
		Fuel/Elec.	3,576.99
		Foster Care	6,795.76
		Misc.	<u>332.61</u>
		Total	28,729.40

Overexpended \$563.30

A change in the settlement law may be implemented in 1982 making towns liable for OAA/APTD past the 365 day responsibility when after 365 days of aid these parties would become the responsibility of Grafton County. This could increase the expenses in these divisions, However, a number of Foster Care placements will shortly become the responsibility of the County.

Carol Keating, Overseer

BUDGET SUMMARY AND ESTIMATED TAX RATE INCREASE

1982 Proposed Budget	\$1,343,456.20
1982 Projected Revenues	<u>812,424.68</u>
Difference	531,031.52
minus Business Profits	<u>-96,000.00</u>
1982 Net Amount Needed	435,031.52
1981 Net Amount Needed	<u>397,156.00</u>
Increase Over Last Year	\$37,875.52

Projected Town Tax Rate Increase

1981 Valuation \$33,405,590

(Net Amount Needed) \$37,875.52/ 33,405,590= .00114 per \$1 value

Assuming no growth in valuation (there should be a modest increase) and with no surplus use (We utilized \$50,000 last year) Town taxes would increase \$37,875.52 or \$1.14 per \$1,000 valuation or a 10.1% increase over the 1981 Town tax rate of \$11.30 per \$1000 valuation.

If a surplus of \$37,875.52 could be utilized there would be no increase in the Town Rate (does not include School or County)

The above does not consider warrant articles.

REPORT OF POLICE DEPARTMENT

The Enfield Police Department consists of 4 full-time members to serve a permanent population of 3171 and a summer population of approximately 6000. This is far below the national average of 2.1 officers per thousand inhabitants. (SOURCE: FBI, Uniform Crime Reports, September 10, 1981) To maintain the manning levels which insure 24 hour on-duty coverage, part time officers are employed. Both full-time and part-time contingents provide numerous hours of service to the Town with no compensation. In the 10 month period starting on January 1, 1981 a total of 2388.75 hours of free time were donated by the members of the Department.

Again, criminal activity decreased in Enfield. Decreases were noted in all categories of reportable crimes filed by this Department in the Uniform Crime Reporting (UCR) Program. Of the 127 arrests in this report period, 49 were local, 54 were out-of-Town, and 24 were out-of-State residents.

It is refreshing to report that incidents of vandalism have dropped from 58 in 1980 to 26 in 1981. This is a substantial decrease from the 128 incidents reported in the 10 month period of 1979. We feel that the decrease may be related to raising the legal drinking age limit and our strong stand on drug and alcohol abuse. The Department continues to enjoy an excellent rapport with officials at the Regional High School and the Village Elementary School. From these frequent meetings, the Police Chiefs of Canaan, Dorchester, Enfield, Grafton and Orange have developed a joint policy of handling incidents of substance abuse. The joint policy, signed by all Chiefs, lists the police response to incidents of substance abuse by young adults. The responses range from written letters to parents to Court action.

The Department continues to stress education and training in order to develop a well-disciplined and professional force. At ceremonies on March 24, 1981 at Plymouth State College, Sergeant Pollard, Officers Bond, Bean, Egner and Packard graduated from the 17 week part-time officer school. They were presented with State certification which has been mandated for all part-time officers prior to July 1, 1982. These requirements were obtained at no expense to the Town.

All Officers attended and completed a 24 hour course of instruction in the operation of Doppler Traffic Radar. The courses were held in Claremont and Concord, N.H. Each officer was certified by the State of New Hampshire as a traffic radar operator. Other in-service training programs completed by members of the Department were: Police Prosecutor School, Breathalyzer School, Police Management, Firearms Instructor, First Responder Course, Arson Investigation and Officer Survival School.

The Department provided briefings to our Representatives Mr. C. Dana Christy and Mr. Myrl Eaton on several law enforcement and community problems. By their efforts in the General Court, we believe our efforts have strengthened in providing safety to the community.

The Department is very proud of our community and our small department. We appreciate the opportunity to serve. Should any citizen have questions on department operations or community concerns, they should feel welcome to stop by the station or call us.

* November 1980 to October 1981

Disastrous forest and brush fires that destroy hundreds of homes are more prevalent on the west coast with their dry seasons and strong hot winds but 35 years ago this fall is the anniversary of a disaster that devastated large areas of northern New England leaving villages in ashes with rows of cellar-holes and chimneys in a number of summer vacation home locations. Many lives were lost on that destructive day in October 23, 1947 nothing could stop the wind driven flames.

It is true that such conditions are unusual for New Hampshire but they happened once, they can happen again. The fuel for fires is all around us. All it takes is a firebrand. Only by cultivating a habit of carefulness with fire at all times can we meet the challenge of protection when dry conditions prevail. Please let these reminders be your guide:

1. Never, either when walking, riding or driving, discard a firebrand - a lighted match or a glowing cigarette.
2. Always obtain a permit for any outside burning. The burning of household rubbish is not permitted since our town has rubbish collection. Burning of grass or garden litter can be dangerous. See your warden first.
3. If you camp or picnic, be sure open fires are allowed and if they are, put them dead out when leaving.
4. Most Important - instruct your children in the danger of the lighted match. A lighted match and dry grass or forest litter is a dangerous combination which leads to destructive loss and can lead to tragedy.
5. To those of you with wood burning stoves or furnaces, I recommend cleaning of chimneys and stovepipes periodically. I also recommend using chimney sweep.

Over the past year the Enfield Fire Department has responded to 56 calls. Let's reduce the number of calls this year.

ENFIELD F.A.S.T. SQUAD

The Enfield F.A.S.T. (First Aid Stabilization Team) Squad has been very busy during the year 1981 answering 104 calls for assistance. Presently we have 20 active members. We continue to hold regular meetings every third Wednesday throughout the year with each meeting split into a training session and a business session. In order to increase skills, members have attended the emergency medical lectures and critique sessions at Mary Hitchcock Hospital. Five (5) of our members have been involved in various portions of the Advanced Life Support program at Mary Hitchcock Hospital.

The Squad would like to thank the Town for building the addition to the Fire Station that presently houses the ambulance. During the past year Squad members have donated their time to paint the inside of our new quarters in addition to installing electrical wiring and fixtures. We also sponsored a CPR course last spring. Vial of Life packets are still available to all Enfield Citizens and may be picked up at Whitney Hall. Telephone stickers with the 448-1212 number for all emergency services are also available at Whitney Hall. The Squad offered to take blood pressure readings at various town functions during the year. Medic Alert literature and other home health literature has been distributed in town. Squad members brought the ambulance to the elementary school to participate in career day activities. We demonstrated the ambulance to Enfield Scout groups during the year. We also participated in a district sponsored disaster drill.

At the present time the Squad is investigating the so-called Lifeline system. This allows a person to move around at home with the security of knowing that a device carried on the person can transmit a predetermined message via telephone to a central dispatch location. Present plans are in the preliminary stage only. If any resident sees an application of this system, please contact any Squad officer.

In February, 1982 the Enfield F.A.S.T. Squad will be five years old. We would like to thank the many Enfield residents who have supported us with their generous contributions. The funds have been used to improve our service to the community. Anyone interested in becoming a Squad member is asked to speak to any one of the officers.

Respectfully submitted,

Charles M. Harrington
President

ENFIELD PLANNING BOARD

During 1981 the Planning Board continued work on the Master Plan with the assistance of Kate Day UVLSC. We hope to have the Master Plan completed this year.

The Board gave approval to 2 major sub-divisions. These created 34 lots to be sold for single family dwellings. The developers planned no construction.

Approval was given to 6 minor sub-divisions, 2 Site plans, 8 survey maps were signed for recording purposes and we approved and signed maps for 14 exclusions. These are boundary adjustments, transfers between abutters and parcels over 5 acres that are not considered regulated sub-divisions.

Amos Hoyt has been working with the Sewage Study Group and Bruce Johnson is our representative to Forum for the Valley's Future.

The Board accepted, with regret, the resignation of Raymond Aldrich. Ray spent a number of years on the board and was chairman for part of these years. We thank Ray for the many hours he has devoted to the Board.

From time to time the Board needs to fill vacancies and any Enfield resident interested in serving on the Board should contact our chairman or the Board of Selectmen.

We welcome citizens to our meetings which are held every second and fourth Wednesday, monthly.

The Enfield Planning Board

Over 400 new volumes were added to the fiction and non-fiction collections. Other books were borrowed from the State Bookmobile, area libraries and the New Hampshire State Library. The replacement of an outdated set of New Hampshire Revised Statutes has been appreciated by those patrons interested in New Hampshire laws.

A program was presented for the Fifty-Plus members highlighting library resources. A series of story hours was provided for both sessions of kindergarten. The School/Library Program is entering its 6th year with grades 1-5 coming to the library accompanied by their teachers. Grade 6 is not participating due to scheduling difficulties. Throughout the year the display case has had many exhibits. Additionally, a collection of photographs taken by Doug and Ruth Johnson provided a pleasing summer exhibit.

Installation of carpeting and wall shelving helped complete the Relief Corps Room. This now provides a pleasant area for study, research or reading, away from the mainstream of library activity. A set of free standing display panels were given in memory of Sam Poullos by the employees of Whitney Hall and the staff of the Mascoma Home Health Services.

Appreciative acknowledgement is extended to all who donated time, books and materials to the library this year. A special note of thanks is made to the Enfield-Mascoma Lion's Club and Mascoma Snowmobiler's for their contributions which were used to expand our large print book collection. Also to the Friends of the Library for their many hours of assistance with the children and bookmobile.

The library administration extends a warm welcome to all those who visit the library and utilize its facilities.

Marjorie A. Carr
Librarian

MASCOMA HOME HEALTH SERVICES, INC.

Mascoma Home Health Services, Inc., formerly known as Mascoma Area Health Council, with this year starts its 14th year of service to the Mascoma Valley towns of Canaan, Enfield, Grafton, Dorchester and Orange.

The agency is a non-profit corporation certified by Medicare. It is supported by grants from the five towns, the Division of Public Health of the State of New Hampshire, and private donations and memorials. Each town will have at least one representative on the Board of Directors, so has a decision in policy making.

Since services are funded in part by the towns that are served, this guarantees that home care services, visiting nurse, physical therapist, home health aide, homemaker and occupational therapist will be available to all residents of that town. Participation also allows for disease prevention programs, well child clinics, dental clinics, blood pressure screenings and nutrition/weight loss clinics. They are available to all ages and all economic groups.

The agency employs a Pediatric Nurse Practitioner to serve young families as well as children with special needs. A newborn visit is made by the nurse if new parents desire it.

Anyone can request services - you need not wait for your doctor to refer. A nurse or therapist will make an evaluation visit to determine if services can be helpful. Further visits will be made under physician's orders.

One of our special concerns is caring for the elderly, disabled, and chronically ill so that they may not be forced to give up their homes and enter institutions which are often more costly and not always the best solution.

The office and clinic space of the agency is located on Prospect Street in Enfield. The phone number is 632-7234. We are always happy to answer questions by phone, or if you would care to stop at the office, show you the facility and tell you more about the work we do.

Home Health Visits by Discipline for 1981 for Enfield

Skilled Nursing	622
Physical Therapy	575
Occupational Therapy	72
Home Health Aide	178
Homemaking	183
Well Child Clinic - Children Enrolled	82
Blood Pressure Screening Clinics - all towns	149

We are your community health care provider - we truly like to work with you in every way possible.

Respectfully submitted

Janet G. Knight
Executive Director

REPORT OF THE RECREATION COMMITTEE

This year, the Enfield Recreation Committee sponsored its second annual "Fourth of July Celebration". Over thirty local businesses, individuals and organizations rented space at Huse Park, and everyone enjoyed the day's activities.

Approximately thirty Enfield children participated in the Summer Recreation Program at Huse Park and Shakoma Beach. Sandy Loupis was the director of the park program with Missy Quimby as her assistant. Mark Sachleben, a summer resident of Crystal Lake, volunteered much of his time this summer to help the children with various sports, particularly soccer. The park was opened Monday through Friday during the six week program from nine until three. Children were involved in various activities including arts and crafts projects, organized games and sports, as well as swimming in the afternoon.

At Shakoma Beach, Fleet Fairbanks was the lifeguard, and Louise Collins was the swimming instructor, assisted by Missy Barrett. About 50 children participated in swimming lessons this summer.

In January and February the Recreation Committee sponsored two activities. Four Feature length movies were shown at Whitney Hall on Saturday afternoons, and the Enfield Elementary School gym was opened for adults basketball and volleyball on Sunday afternoons.

CERTIFICATE OF AUDIT

We have examined the records of the Board of Selectmen, Public Library, Trustees of Trust Funds, Town Clerk, Town Treasurer, Tax Collector, Overseer of Public Welfare and Revenue Sharing Funds for the Town of Enfield, New Hampshire; including statements of Revenue, Appropriations, Encumbrances, Payments, Unobligated Funds and other records deemed necessary to define transactions for the year ended December 31, 1981.

Our examination was made in accordance with accepted auditing principles applied on a basis consistent with preceeding years; and accordingly included tests of the accounting records and other auditing procedures considered necessary during the review.

In our opinion, the records and statements presented to us represent an accurate account of transactions and financial condition for the year ended December 31, 1981.
